

Tricia & The Toonies Technical Rider

Please provide:

- Please provide a contact person or persons (with cell numbers) who will serve as liaison between Talent and Client, and be available onsite the day of the performance for set up questions and logistics, unless otherwise arranged.
- Reserve a parking space nearest to the stage area for easy, close load in.
- Provide a clean and stable stage (area).
- Provide access to power supply within 20 feet.

Wherever possible:

- Provide a stage area approx. 8' deep by 16' wide. If stage is elevated, please provide sturdy, front access/steps for the interactive nature of the show.
- Provide a sturdy table (3'x6' or larger) on stage area.
- Arrange so that the audience is sitting no further than 4-6 feet from the front of the stage.
- Provide a distraction free environment. (We ask that you keep costumed characters, other acts and noisy activities on hold for the duration of the show). We understand this is not always possible at some fairs & festivals. No worries.
- Provide a dressing room/area where ever possible.
- Include www.TheToonies.com on ALL publicity, printed, digital or social media. (For public events, if you link to us, we'll link to you!)
- Please send all copies of your event programs and publicity to tricia@thetoonies.com.
- For out of town performances please provide a nearby, pre-paid, non-smoking hotel room, with 2 beds, previously agreed upon before contracting. For shows scheduled during times of possible snow storms, an additional night may be required.

Thank you for bringing professional entertainment to your event!
